APPENDIX A

SERVICES

- Preparation of maturity schedules for bond issues which will be attractive to potential bidders as well as acceptable to the Village and to Bond Counsel. We will offer options, i.e. traditional versus level debt, and perform sensitivity analyses so that the Village may make a more informed decision regarding current as well as future budgetary impact.
- With regard to the use of notes and bonds, depending on the scope of the project, the Village may consider to fund its capital projects at inception with note issues in order to ensure that permanent financing is accomplished for the proper amount.
- We will submit a list to the Village of the documents and information necessary to prepare the Official Statement. We then prepare the Official Statement, relying on Bond Counsel for certain language relating to legal matters, in accordance with disclosure requirements, as set forth in Securities and Exchange Commission Rule 15c2-12.
- In order to avoid the errors that may be caused by time pressures, we would prefer to have about 2 weeks for composition and word processing, measured from the date upon which we have received all necessary documents and information. Upon completion of word processing, the Official Statement will be submitted to the Village and to Bond Counsel for review and comment.
- We distribute Official Statements and Notices of Sale to our retail and institutional database and other members of the investment community through various information repositories and post the documents on our website.
- We submit all necessary documents and information to the rating agencies and, if we feel the situation warrants, we will make an appointment with a credit analyst in order to present our views regarding the Village's rating.
- Since almost all bond and note issues are issued in book-entry-only form, we coordinate with the Village, bond counsel and The Depository Trust Company (DTC) to ensure that the procedure is accomplished smoothly and efficiently.
- Prior to the bond sale, we submit the required information to the CUSIP Service Bureau. It is generally the function of bond counsel and the underwriter to ensure that the bonds are printed in correct form and on a timely basis.
- We ensure the publication of the Notice of Sale for bond issues within the required time limits.

- We prepare the Debt Statement for certain bond issues and file it with the State Comptroller's office.
- We handle the bid opening at our office and verify the calculation of the winning bid.
- We coordinate the financial details of the closing with the Village, bond counsel, the underwriter, and the bond insurance company (if applicable).
- We coordinate the preparation of the Final Official Statement with the underwriter, bond counsel and, where applicable, the bond insurance company.
- We prepare the final Debt Service Schedule (and, where applicable, the apportionments of such overall Debt Service Schedule into the appropriate funds), and distribute copies of such schedules to the issuer, to the fiscal agent (or DTC) and bond counsel.
- If appropriate, we assist the Village in short-term and long-term financings with the Environmental Facilities Corporation. Such services include but are not limited to: coordinate the collection of financial and operating information during the application process, participation in conference calls, prepare various estimated debt service schedules, determine amounts to be included in ensuing operating budgets, and tax impact analysis.
- In accordance with SEC Rule 15c2-12 and the Undertaking to Provide Continuing Disclosure as executed by the Village in connection with the sale of certain bonds and delivered at the closing for such bonds, the Village may be obligated to file a Statement of Annual Financial and Operating Information with the Electronic Municipal Market Access System ("EMMA") according to the Agreement. When necessary, we are available to help the Village to ensure compliance with its Continuing Disclosure Undertakings.

APPENDIX B

FEE SCHEDULE

The fees for our services for capital project financings will *not exceed* the following: Serial Bonds - \$10,500 for each bond issue with an Official Statement and \$0.90 per \$1,000 thereafter; Refunding Serial Bonds - \$15,500 for each bond issue with an Official Statement up to \$2,000,000 and \$1.90 per \$1,000 thereafter; Bond Anticipation Notes – Base fee of \$4,500 for each note with an Official Statement up to \$2,000,000 and \$0.50 per \$1,000 thereafter; Environmental Facilities Corporation Financings - \$3,500 for the first 10 hours spent, \$150 per hour thereafter. The fee for general consulting services will be \$150 per hour with the terms of the service agreed upon prior to the engagement.

The fee for our services includes all out-of-pocket expenses. Other normal issuing costs, such as bond counsel fees, rating agency fees and publication of resolutions and Notices of Sale are billed directly to the Town by the respective parties.

Munistat Services, Inc. will not charge to attend meetings of the Board, work sessions, meetings with bond counsel, ratings agencies, or any other meetings associated with a capital project. APPENDIX C

DISCLOSURE OF CONFLICTS OF INTEREST

FIXED FEE

Under a fixed fee form of compensation, the municipal advisor is paid a fixed amount established at the outset of the transaction. The amount is usually based upon an analysis by the client and the advisor of, among other things, the expected duration and complexity of the transaction and the agreed-upon scope of work that the advisor will perform. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, the advisor may suffer a loss. Thus, the advisor may recommend less time-consuming alternatives, or fail to do a thorough analysis of alternatives. There may be additional conflicts of interest if the municipal advisor's fee is contingent upon the successful completion of a financing, as described below.

CONTINGENT COMPENSATION

The fees to be paid by the Town to Munistat Services, Inc. are contingent on the successful closing of the transaction. Although this form of compensation may be customary, it presents a conflict because Munistat Services, Inc. may have an incentive to recommend unnecessary financings to the Town. For example, when facts or circumstances arise that could cause the financing or other transaction to be delayed or fail to close, Munistat Services, Inc. may have an incentive to discourage consideration of alternatives that may result in the cancellation of the financing or other transaction.

Munistat Services, Inc. manages and mitigates these conflicts primarily by adherence to the fiduciary duty which it owes to municipal entities which require it to put the interests of the Town ahead of its own.

OTHER MATERIAL CONFLICTS OF INTEREST

Munistat Services, Inc. has determined, after exercising reasonable diligence, that it has no other known material conflicts of interest that would impair its ability to provide advice to the Town in accordance with its fiduciary duty to municipal entity clients. To the extent any such material conflicts of interest arise after the date of this Agreement, Munistat Services, Inc. will provide information with respect to such conflicts in the form of a written amendment or supplement to this Agreement.
